

Solar Energy Free Seminar

\$150 million in NYSERDA Grants Currently Available
Case Studies on Financing & Technology Options

Learn How to Obtain Over 80% of Your Solar Project Costs from Federal & State Incentives, Bonus Depreciation and Other Programs

Olympic Electric and RER Energy Group are pleased to offer a seminar on solar photovoltaic energy (PV) for commercial, industrial and agricultural enterprises. Legislation enacted in New York State is providing funding through NYSERDA to help the state reach a goal of doubling renewable energy generation by 2015.

Who Should Attend: This seminar will benefit business owners and all personnel who are responsible for managing electrical energy systems and associated costs. Members of our staff will work with you to answer questions about solar photovoltaic technology, other renewable energy and the currently available incentives. **The next NYSERDA grant application deadline is August 29, 2013.** RER Energy Group offers free grant writing services and has helped clients obtain over \$12 million in federal and state solar grant awards.

The **Financial Session** will focus on available incentives & options:

- 1) Federal Incentives – provide 30% of project costs
- 2) NYSERDA grants – provide up to 40% of project costs
- 3) Bonus Depreciation (50% first year) and Financing Options

The **Technology Session** will focus on best practices and case studies for:

- 1) Equipment and Installation Options
- 2) Utility Interconnection and Net Metering Considerations
- 3) Case Study Examples

When: Friday, June 21, 8:30 AM to 11:00 AM

Where: Orange County Chamber of Commerce
Crossroads Corporate Park, 30 Scotts Corners Dr., Montgomery, NY
