

HUNT – RER Energy Group
You are invited to a Free Solar Energy Educational Seminar

Learn How to Obtain Up to 80% of Your Solar Costs from Federal & State Incentives, Accelerated Depreciation, & Power Purchase Agreements

NY State’s Goal Is To Double Renewable Energy Generation By 2015

Hunt Engineers, Architects & Land Surveyors, P.C. and RER Energy Group are pleased to offer a seminar on solar photovoltaic energy. Also presenting will be the *Southern Tier Regional Economic Development Corporation* Regional Outreach Contractor, Joseph Ponzi, an expert in NYSERDA’S Economic Development Growth Extension (EDGE) program.

Who Should Attend: This seminar will benefit municipal and school officials, business owners, accounting personnel, and all employees who are responsible for managing electrical energy systems. Members of our staff will work with you to answer questions about solar photovoltaic technology. RER Energy Group offers free grant writing services and has helped clients obtain over \$15 million in federal and state solar grant awards.

The **Financial Session** will focus on available incentives & options: 1) Federal Incentives – provide 30% of project costs; 2) NYSERDA grants – provide up to 40% of project costs; 3) Accelerated Depreciation (50% first 2 years) and Financing Options; 4) PPA’s (Power Purchase Agreements); and, 5) Non-profit Community PPA

The **Technology Session** will focus on best practices and case studies for: 1) Equipment and Installation Options; 2) Utility Interconnection, Net and Remote Net Metering Considerations; and, 3) Case Study Examples

When: Thursday, May 22, 2014 -- 8:00 a.m. to 11:30 a.m.
