

Free Solar Energy Webinar

\$150 million in NYSERDA Grants Currently Available
Financing & Technology Options
Cash Savings Case Studies

RER Energy Group is pleased to offer a webinar on solar photovoltaic energy (PV) for the New York Council of Nonprofits (NYCON). Legislation enacted in New York State is providing funding through NYSERDA to help the state reach a goal of doubling renewable energy generation by 2015.

Who Should Attend: This webinar will benefit executive directors, finance and accounting staff and anyone responsible for managing electrical energy costs and systems. Members of our staff will work with you to answer questions about solar photovoltaic technology, other renewable energy and currently available incentives. **The next NYSERDA grant application deadline is March 14, 2013.** RER Energy Group offers free grant writing services and has helped clients obtain over \$12 million in federal and state solar grant awards.

The **Financial Segment** will highlight available incentives & options:

- 1) Federal Incentives – provide 30% of project costs
- 2) NYSERDA grants – provide up to 50% of project costs
- 3) Financing Options – tailored for non-profit organizations. *Includes no money upfront, third-party financed options.*

The **Technology Segment** will highlight best practices and case studies for:

- 1) Equipment and Installation Options
- 2) Utility and Net Metering Considerations
- 3) Cash Savings Case Study Examples

When: Thursday, January 24th, 10:00 AM to 10:30 AM

Reserve your spot. Don't miss this attractive grant program. To submit your webinar registration, either: e-mail bmaholick@rerenergygroup.com, or print this form and fax to 888-712-0734. If you have any questions, call **Christopher Flynn, VP of Finance, at 570-575-2458.**
